

Join me on an unforgettable Danube River knitting cruise April 4-11, 2027. The grand cities we'll visit while cruising along will provide the perfect backdrop for all the crafting, laughing, and knitting we'll be doing in our tight-knit group.

We'll visit museums, yarn shops, take tours, and enjoy this incredible journey along the cities of the Danube River together. Knitting time and taking workshops together will spark our creativity and bring us a deeper understanding of the knitting history and techniques of the region. Our themed workshops, tours, and fiber projects have been curated specifically for our tour.

Connect through our common threads as we share our passion for travel, food, art, history, and (of course) knitting - all while experiencing the beauty of the Danube River on Ama Waterways.

About the Beautiful Ama Magna

At 72 feet, *AmaMagna* is twice the width of traditional European river ships, which means more space to stretch out, spacious rooms ranging from 355 to 710 square feet — including larger suites with full balconies — along with four unique dining venues and additional social spaces like the Sun Deck pool and whirlpool, Zen Wellness Studio, and inviting lounges. It's the only ship of its kind on the Danube, offering both comfort and variety without losing the warm, personal atmosphere *AmaWaterways* is known for.

There are four included restaurants, each with its own style. The Main Restaurant offers elegant fine dining, while The Chef's Table creates a more intimate evening with a multi-course tasting menu prepared in an open kitchen. Jimmy's is lively and communal with family-style dishes, and Al Fresco pairs fresh, vegetable-forward cuisine with panoramic river views. No matter where you dine, the atmosphere is welcoming, and our team happily accommodates vegetarian, vegan, gluten-free, and other dietary preferences on *AmaMagna*.

AmaMagna offers 8 different categories across its 98 rooms and suites. All accommodations include in-room temperature control, spacious bathrooms, flat-screen TVs, and a desk and chair. Suites also feature private balconies. Suite sizes range from 355 sq ft up to 710 sq ft—six Grand Suites at about 474 sq ft, and the Owner's Suite at 710 sq ft.

Yes. *AmaMagna's* Zen Wellness Studio is one of the largest on the rivers, offering space for group classes led by a professionally trained Wellness Host, a refreshing juice bar, and two massage treatment rooms. You'll also find a Sun Deck pool and whirlpool with river views, plus a full-size pickleball court for guests who want to stay active outdoors.
